## VESTRY PERSON OF THE MONTH FOR MARCH: Tina Luckey

I have recently graduated with my Master's in Organization Development at Queens University of Charlotte. I wanted to be an attorney when I was younger.

Since I was a child, my favorite movie has always been "Labyrinth." I watch it at least once a year. It taught me that while life may bring you challenges, you can overcome them by never giving up. Life is good when you have friends that you can count on. And I have two favorite books. One was a childhood favorite "Green Eggs and Ham" by Dr. Seuss. It taught me to try new food. You may like it. You may not. I love trying new food even today. As an adult my favorite book is "Daring Greatly" by Brene Brown. I enjoyed it because her research on

vulnerability taught me the importance of vulnerability.

I have been a member of All Saints' for almost 8 years. Easter is my favorite season and John 3:16 my favorite scripture:

*For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.*

# COMMUNITY ANNOUNCEMENTS

## How does the federal budget proposal affect **Cabarrus Meals on Wheels**?

We receive just over \$70,000 a year from the Older American's Act Funding. Fortunately, we do not rely solely on Federal Funding for our program. But, any reduction in funding will hurt our seniors.

**Cabarrus Meals on Wheels** assists 400 seniors in their homes with our meal delivery.

90% of our seniors state they need our meals to remain in their homes. Without our service they would need to make other living arrangements.

Many of our seniors live on less than \$800 per month and are unsure where their next meal will come from.

65% stated that they could not afford to eat a balanced meal.

22% stated that they had to go hungry in the last year for lack of funds for food.

33% stated that the food they purchased did not last & they lacked funds for more.

These statistics are unacceptable. In our country, no one should have to go hungry. We are here to help those who need an extra hand. With the proposed budget cuts these percentages will only get worse.

Our program provides the basic need of food, but also the basic need of humanity to our participants. It is hard to put a price on basic humanity to show the true value, but we know that everyday we make a difference to those we serve.

We thank you for your dedication, service, your donations, and, most of all, your time given to help those who need a smile and a meal. Thank you for your continued support of **Cabarrus Meals on Wheels**. We are extremely grateful for everything you do for our participants.

## The Path

I hope you are reading the wonderful bible stories in The Path. This past Saturday the Men's group had a marvelous discussion about Isaac, Jacob and Esau from Chapter 4. Immediately following we had our monthly work day with the focus on spreading gravel to create a walking path through our wooded area right behind the sanctuary.

### Parish Workday Volunteers

Thanks to the volunteers for the work completed this past Saturday by Garen Livingston, Ben Smith, Don Foskey, Lee Cox, Ben Helms, Teri & Tommy Jones, Mike McDonough, Len Witke, Robbo Williams, Chris Charest, and myself. With the help of John Deere these 12 souls spread and tamped 16 tons of gravel in about 3 hours! We have started about one third of the total path which, once completed, will provide outdoor walking space not only for our parish but also our community neighbors. I believe one day it will draw new members to our church.

All Saints' has been working on this outdoor cathedral for several years now, starting with the clearing of an overgrown pine stand, removal of stumps, chipping of innumerable pine limbs, covering the cleared ground with mulch, clearing brush, cutting down damaged trees, installing drains, and trimming the never ending growth of weeds. The creation of The Path will open up this space to be developed into gardens featuring native plants and trees. The Path will create the structure from which the garden spaces can be designed, irrigated, and planted.

### The Garden & Grounds of All Saints'

A friend gave me a lovely book by Stanley Kunitz, "**The Wild Braid: A Poet Reflects on a Century in the Garden.**" Here are several quotes that speak to my soul and what we are creating with The Path and the garden.

*"In the woods, one loses the sense of time. It's quite a different experience from walking the streets. The streets are human creations. In the woods what one finds are cosmic creations."*

*"I think of gardening as an extension of one's own being, something as deeply personal and intimate as writing a poem. The difference is that the garden is alive and it is created to endure just the way a human being comes into the world and lives, suffers, enjoys, and is mortal. The lifespan of a flowering plant can be so short, so abbreviated by the changing of the seasons, it seems to be a compressed parable of the human experience. The garden is, in a sense, the cosmos in miniature, a condensation of the world that is open to your senses. It doesn't end at the limits of your own parcel of land, or your own state, or your own nation. Every cultivated plot of ground is symbolic of the surprises and ramifications of life itself in all its varied forms . . ."*

Come join us as we create The Path.

*Faithfully, Mark D. Robinson*

If you are looking for something more in your spiritual life, or if you need a “kick-start,” you may want to consider attending the next Cursillo Weekend being conducted in the Diocese of NC. The weekend will be held at St. Paul’s Episcopal Church in Cary, NC.

Cursillo is a spiritual renewal ministry in the Episcopal Church for men and women. The Book of Common Prayer is used for all worship services. Music is also a major part of the weekend.

## **Genesis**

**Friday, 31st March - Sunday, April 2nd at Camp Walter Johnson, Denton, NC**

"For those of you who don't know, Genesis is a weekend long, faith building event open to middle school students around the Diocese. Throughout the weekend, a team of high school students leads the participants in many diverse activities.

Some of the activities at this year's Genesis included our small group discussions, structured free time activities such as yoga and music, fast moving energizers, and the famed Genesis Olympics. Most importantly, our team-led talks dove deep into topics such as what different families look like, who our real friends are, and how God fits into our lives individually. Any Genesis participant can look forward to a weekend of fun as well as serious contemplation; in short, Genesis is a place for building a diocesan family that will remain strong throughout the participants' lives."
