Prayer as an act of Intentional Living: Modeh Ani

I give thanks before You, eternal and living King, who returns my soul within me with mercy. Ample is your grace.

Modeh Ani is said by observant Jews immediately upon awakening, before rising from their beds. In Hebrew, the prayer is composed of only twelve words.

Modeh Ani is generally understood as a simple prayer of thanks and gratitude. Yet, the prayer is deeper than we think; in its few words, it recalls and reemploys language from a most unexpected source: *The Book of Lamentations*.

How are we to begin the day intentionally? The twelve words of Modeh Ani contain deeper instruction than would appear. This session will explore just that: How prayer serves as a pathway to purposeful and intentional living.

Summer Sunday School - Abundant Life Garden Project

Abundant Life Garden Project is an interactive, Scripture-based children's program offered to all who seek to share the ministry and work of ERD with elementary school-aged students and their families. Each week the children will collect coins to support the work of ERD. The program is open to all interested parties aged 4 and up. If you would like to know about this project, please visit:

<http://www.episcopalrelief.org/church-in-action/christian-formation/>

Episcopal Relief & Development (ERD) is the compassionate response of The Episcopal Church to human suffering in the world. Hearing God's call to seek and serve Christ in all persons and to respect the dignity of every human being, ERD serves to bring together the generosity of Episcopalians and others with the needs of the world.

The Season after Pentecost, explained:

This season is centered on sanctification, the work of the Holy Spirit in the day to day life of the Christian. This is reflected in the liturgical color for this season: green, the color of life and growth. Through the gift of faith that comes only from the Holy Spirit working through the means of grace, Christians trust in Christ as Savior and proclaim Him in their daily lives by service to their neighbors.

The season after Pentecost is the longest season of the church year - it lasts from Trinity Sunday until the first Sunday of Advent. This is the non-festival portion of the liturgical calendar during which the church stresses vocation, evangelism, missions, stewardship, almsgiving, and other works of mercy and charity as ways in which Christ empowers us by His grace to share the Gospel with others.

The Path & Learning Circle

We are making excellent progress on The Path. Saturday June 3rd we had a terrific crew to install the hardest part of a retaining wall, including a gravel and perf pipe drainage system. Then a lot of weeding and landscaping heaps of clay from the excavation. It was tough work laying the first layer of blocks and being sure they were level while also adjusting for the slope of the ground from low to high.

I would like to express my gratitude for the hard work from a great group. which included my neighbors John and Kathy Oliver, Ian, Sabrina and Hamilton, Tina Luckey, Ben Smith, John Cline, Don Foskey, Shelly Williams, Len Witke, Janet Hollopeter, and the ever faithful John Deere.

Grits, Fellowship, and Nooma: Men's Breakfast

The Saturday men's group invites all the men of the parish to breakfast Saturday, July 8th at 8 AM in the Parish Hall. Please come and share eggs, sausage, grits, and fellowship with us.

You know what grits and fellowship are, but what the heck is Nooma. (No, it is not at all like livermush.) Nooma is a play on the Greek word for spirit, wind, or breath. Nooma films are a series of short, concise stories from everyday life with a uniquely Christian perspective. They are from the creative mind of pastor and author Rob Bell. He is an extraordinary communicator and gifted storyteller. The Nooma films are relatable, thought-provoking, and entertaining.

After breakfast we will view and discuss "Rain" from the Nooma series. Each Saturday meeting this summer will feature a different film from this series. Each Saturday's topic will be unique and "stand alone", so that you can attend as you are able. Summer bonus: there is no reading or book to buy.

Regardless of Nooma or no Nooma, please join us for breakfast on July 8th. Sign up in the Welcome Center or online or email Don Foskey at donald.foskey@gmail.com.

Thanks, Don

VESTRY PERSON OF THE MONTH FOR JUNE: Sue Gelarden

I am Sue Gelarden and I have been a member of All Saints' for nineteen years. I grew up in Cabarrus County and went to a Lutheran Church. As an adult I became Episcopalian.

Unfortunately, I was never able to have children. Therefore, All Saints has become my family.

I recently retired. Professionally I was a Vocational Rehabilitation Case Manager. I worked with people with disabilities and helped them return to work.

During my time at All Saints I have been very involved in many different ministries. I have been touched by many, many people. All Saints is a special place.

I am very excited that I plan to become a Mentor for Education for Ministry (EFM) beginning in September. EFM is a rewarding experience through reading, study, and discussion to grow and learn in ministry. It does require a commitment, but it is worth it! If you have any interest, call me at 704-933-5683.
