Rescued Animal Food Ingathering, Sunday October 8th

In conjunction with this year's service, we are having a food drive to support rescued animals. You can bring animal food to the 8, 9 or 11:10 services, and the event. The collected food will be given to **animal shelters** to help defray some of their costs and also to the **Splashpaw Foundation** which provides pet care assistance to shut ins and others that may not have the resources to properly care for their pets.

The Blessing of the Pets Sunday, October 8th at 4 PM

All Saints' will be hosting its annual Blessing of the Pets Sunday, October 8 beginning at 4 PM in the Courtyard at the Church. This service is traditionally the closest Sunday to Saint Francis of Assisi's Feast Day. We all know how he loved all creatures great and small. "All pets are welcome" - Dogs, cats, hamsters, guinea pigs, snakes, birds, lizards, etc. If you pet does not travel well, then please bring a photograph.

We will have exhibitors from local rescue and pet charities. At this writing they include Camp Happy Hound; K9 Capers (trainer of service dogs); the Cabarrus Humane Society represented by their cat shelter, Princeton's Meow; Kreitzer's Critter Corral Puppy Rescue; and the Splashpaw Foundation.

So bring your furry, feathered and even scaly friends to All Saints' at 4 PM on the 8th to have them blessed and enjoy some fun and fellowship with fellow pet owners.

Children & Youth Christian Formation

The enthusiastic expressions of children's faith can help transform the church and everyone in it. Here at All Saints', we harness the enthusiasm of our children in worship as well as in Sunday school. We encourage our children to actively participate in the liturgy, and we delve into really learning and understanding the awesomeness of God in Sunday school.

- ◆ Our youngest students from **age 3 through 8**, participate in **Catechesis of the Good Shepherd**. Catechesis focuses on developing the spiritual nature of the child and his or her relationship with God while also teaching about liturgy and tradition.
- ◆ In the **Re:form** curriculum, students in **grades 4 and 5** learn about unlikely people called by God to do amazing things. **Re:form** encourages tweens to see the similarities between themselves and their quirky faith ancestors. **Re:form** follows a three part sequence: Encounter – 15 minute video, Engage – Conversation, Respond – Regroup, Share and Send.
- ◆ Our **Middle School** Students gather on Sunday mornings for fellowship and discussion guided by the curriculum, **Making it Real and Relevant**, a lectionary based youth ministry program that uses contemporary music, movies and videos to connect faith formation with daily life. The goals are to:
 - learn that one has a life-purpose and that it is possible to discern what it is
 - to seek connection with the inner self
 - to seek connection with God and with the world
 - to experience transcendence (how one fits into the bigger picture)

“Responding to the spiritual needs of teens is about building trusting relationships. The Episcopal Church strives to walk with young people on their journeys from childhood to adulthood, recognizing their gifts for ministry, their questions about spirituality, and their desire to make a difference in the world.”

- National Episcopal Church
- ◆ Our **High School** Students gather on Sunday mornings for fellowship and discussion guided by the curriculum, **NOOMA: Exploring the world from the perspective of Jesus**.

Jesus lived with the awareness that God is doing something, right here, right now, and anybody can be a part of it. He encouraged his listeners to search, to question, to wrestle with the implications of what he was saying and doing. He inspired, challenged, provoked, comforted, and invited people to be open to God's work in this world. Wherever he went, whatever he did, Jesus started discussions about what matters most, because for Jesus, God is always inviting us to open our eyes and join in. **NOOMA** is a series of short films that are an invitation to search, question, and join the discussion.

“Feeding minds and forming hearts to love and serve the Lord”

10 AM - Parish Hall The Rev. Dr. Rodney Sadler

In this series, we will explore what it looks like to do God's will in this world. Not only will we explore the importance of the Lord's Prayer for understanding the elusive concept of the Kingdom or Reign of God, we will set it in context of what we are called to do as Christians. Could it be that this concept is instructive for us as we live in an increasingly divided and disconnected society?

The Social Justice Bible Challenge

edited by Marek Zabriskie

This fall, disciples wishing to spend more time engaging the Bible on topics from poverty, hunger, displacement, and the care of widows and orphans will have their cups filled over and over again by the words of Scripture and meditations from people across the Church who engage with these realities each and every day. “The Social Justice Bible Challenge” edited by Marek Zabriskie, is about bridging the gap between knowing the Bible and living it. “The Social Justice Bible Challenge” is for those seeking to be deeply engaged in scripture, and connect their compassion to God's Word.

For more Information please contact Chuck Collier at 704-430-6818 or at cwcollierjr@gmail.com

Tour de Saints’ - CCM Pantry

Participants in the recent **Tour de Saints'** donated the equivalent of **1,400** pounds of food to the CCM food pantry. This is in addition to our weekly donations of **1,333** pounds so far this year - a total of **2,733** pounds. The event attracted 260 riders and raised well over \$10,000.

We are truly feeding the hungry, but the need remains great. So, see you at the CROP Walk.

The Episcopal Church Responds to Natural Disasters

We have watched with horror as crises were precipitated by hurricanes in the Southeast United States & Caribbean. Crisis ministry has three phases: **Rescue, Relief and Recovery**. First responders and ordinary citizens like Andrew Cobb, Jennifer Cobb's brother, have worked tirelessly to **rescue** people from the deluge unleashed by these hurricanes. This is faith at work, seeking and serving Jesus in the floodwaters.

Once people have been rescued, the ministry turns to **relief**. The Episcopal Diocese of Texas has deployed spiritual care teams to the Convention Center shelter and will continue to send new teams as other shelters open. This weekend, deacons and lay chaplains of the diocese will be in the hardest hit neighborhoods to offer comfort and emergency funds to people who were flooded. The diocesan cathedral is helping local Episcopal churches respond to the most pressing assessed needs, whether that be space for mission teams, feeding programs and/or funding. Episcopal Relief and Development has already provided emergency funds for some of this work.

As the floodwaters recede, **recovery** begins. The diocese will begin these efforts as soon as it is safe. If you are interested in helping out, Episcopal Relief and Development has a volunteer list "Ready to Serve" which can be accessed at <https://www.episcopalrelief.org/what-you-can-do/volunteer/ready-to-serve>

A message from the Presiding Bishop, the Right Reverend Michael Curry:

Long ago the prophet Malachi taught that we are all children of God by virtue of our creation by the same God. "Have we not all one father? Has not one God created us," he asked (2:10). Jesus taught the same thing when he told a story about a Good Samaritan. We are indeed all the children of God. And if we are all God's children, then we are all brothers and sisters.

We have watched and witnessed the devastation in the wake of Hurricanes Harvey & Irma. Our brothers and sisters need our help.

Episcopal Relief & Development reminds us not to send food, clothing or other items because affected dioceses have limited or no capacity to receive, store or distribute goods. It is more efficient and better for the local economy to make a donation.

This month's "First Sunday Offering," \$1,200 has been sent to the Diocese of Texas to fund their work in responding to Hurricane Harvey. Going forward, I would suggest that you send financial support directly to Episcopal Relief and Development and earmark it for Hurricane Relief. You may donate online at www.episcopalrelief.org or mail checks to Episcopal Relief & Development, PO Box 7058, Merrifield, VA 22116

Please continue your prayers for those being affected by hurricanes and other natural disasters.
