Sharing the news of our community!

Have a grape for the vine? Contact church office at 704-782-2024 or email announcements@allsaintsconcord.org

We had 40 humans and 31 pets at this year's The **Blessing of the Animals & the Rescued Animal Food Ingathering** Service. The pet food drive produced 214 pounds of food. The food was distributed approximately 40% to Princeton's Meow/Ruth's Memorial, 40% to the Splashpaw Foundation and 20% to Kreitzer's Puppy Rescue.

Thanks to all those who worked so hard to make the **First Annual All Saints' BBQ** a big success. The **crew manning the smokers** started before 4 AM and didn't finish until after 7 PM. The **kitchen crew** worked very long hours making all the side items, including the delicious banana pudding, then serving all our friends in attendance. **Folks with cleavers** spent hours chopping several hundred pounds of pork. The food, of course, was delicious! As many of you are aware, Kevin Riley was burned during the barbecue and is recovering at home. Please continue to pray for Kevin's rapid recovery.

Top 5 Reasons for Sitting in the FRONT ROW in Church

5. You can sneak out the front exit door into the courtyard and be at your car in seconds after the service ends!
4. When you come into service really late and sit up front, everyone thinks "Wow, he must have been doing something super holy that kept him late!", even though it's just because you got into watching those Sunday morning news shows!
3. You can sing joyfully and as loudly as you want to praise God, not worrying if the notes you miss bother the person sitting in front of you!
2. You can hear everything so well up there! The sermon, the choir, the readings. It's perfect!
1. At Eucharist, you are right there at the Lord's Table, a front row seat to the beauty of our liturgy, symbolic items, gestures, and the rest of the congregation as we gather together around Jesus's body and blood.

So if you're a lifelong back of the church sitter, pretend your name just got called on the Price is Right, and **COME ON DOWN!** It's fun up here!

Progress on The Path.

Many thanks to those who worked spreading gravel on The Path during the last two work days. John Cline, Don Foskey, Tom Holder, Robert Byrne, Janet Hollopeter and Don Smith worked on Sept 16th. Shelley Williams, Ben Smith, Ben Helms, Len Witke, and Teri Jones worked on Sept 30th. These amazing workers, with the help of the ever-faithful John Deere, spread nearly 25 tons of gravel on over 170 feet of The Path. Thanks also to Richard Sexton, Tom Jones, John Oliver and the F3

Men's Fitness for helping me with some heavy lifting in the learning circle.

While much work remains on this multi-year project to create a new green space at All Saints', we have made tremendous progress this year. If you take a walk on The Path this week you can see some lovely zinnias our Sunday School children planted this summer. In the Spring of 2013, this space was an overgrown, inaccessible, unusable space populated by countless, overcrowded and frequently falling pine trees. What progress has been made since then! With much gratitude to the many people who have worked on this project over the past four years . . .
