## EYC Sunday Nights

EYC starts back up again September 16. Most Sunday evenings, we will meet at 5 pm in the Youth Room at All Saints for activities, a lesson, and dinner. Occasionally, other events will take the place of Youth Group (see calendar of events).

## Acolyte Ministry

Interested in helping serve and lead God's people in worship Sunday mornings as an acolyte? This is one of the most important roles to fill in our worship services. Please contact Rev. Whitnah or Mark Helms ([helmsfarm@gmail.com](mailto:helmsfarm@gmail.com)).

## Sunday School Curriculum

At All Saints, we're committed to Sunday School that is rooted in Scripture, engaging, fun, and easily transferable to life at home.

This year, we are using "Echo the Story" by SparkHouse for Middle and High School Sunday School.

Middle School will meet in the Community Room and High School will meet in the Youth Room at 10:00 am.

## Volunteer Opportunities

Working with children and students is a tremendous blessing and privilege, and there are plenty of opportunities for you to get involved. Please let Rev. Whitnah know if you are interested in helping with this vital ministry at All Saints.

\*\*We take our children's safety very seriously. All volunteers who work directly with Youth will need to complete a background check and SafeChurch training, and adhere to our policies and procedures.
