Welcome to All Saints'

Thank you for worshipping with us today. If this is your first visit or if you are looking for a church home, a Greeter is available in the Welcome Center before and after worship services to provide information and a welcome gift.

All Saints' Core Values

- Being an active, inclusive community of faith
- Worshipping God in the Episcopal tradition
- Nurturing individuals to grow in Christ
- Seeking and serving Jesus in unexpected places

Our Mission

To be a church of
Disciples Making
Disciples for Jesus

Our Vision

To be a church that
Loves Like God
Loves

Dear Parents of Young Children:

At All Saints', we believe that Jesus issues the same invitation to everyone: "Come to me, just exactly as you are." For our children, this means, "Come with all the energy, the wiggles and giggles, that God gave you." This is God's House, and life and love and laughter are all part of God's dream for the world. Your presence here is a blessing. Your children's presence is a blessing. And all of their wiggles and giggles (including any tears and protests) are welcome in God's House. *Here are a few suggestions many parents have found helpful:*

- Please sit towards the front—it's easier to see and hear all the action.
- Sing, pray, respond, and explain what's happening in the service. Children learn best about worship and liturgy from you.
- Pick up a green "Busy Bag" with books, coloring pages, and a stuffed Worship Buddy. Please return them after the service.
- We have a staffed nursery in the Education Wing and a livestream in the Parlor. If you need to leave, please come back, especially for Communion.

To All the Members of our Parish:

Children are one of God's most precious blessings. Thank you for warmly welcoming them into God's House and for encouraging their families with your smiles and assistance.

Race and Racism are issues most of us would like to understand more but may not know where to begin. This 4-part weekly series will shed light on historical and social context leading to our current racial situation. We will look at how we got here, what disconnects and unites us, and most importantly, how we can be part of a more racially equitable solution. Race Together is an engaging and informative series facilitated by a dynamic team of presenters. Sessions will include media screenings, guided discussions, moments of reflection, impactful activities and resources all in the environment of sharing and discovery. Mark your calendar for all 4 meetings as each session varies in content and progressively builds on information as we go.

Limited childcare will be available. Reserve your seat today!

Visit to the International Civil Rights Museum | Greensboro

Members of All Saints' Episcopal Church, Concord Grace Lutheran Church, Concord, and First Baptist Church, Kannapolis gathered for a bus trip to Greensboro to experience the International Civil Rights Museum together. The Museum celebrates the nonviolent protests of the 1960 Greensboro sit-ins that served as a catalyst in the civil rights movement. Some highlights included the actual unaltered lunch counter from the Woolworth's sit-ins, many video/multi-sensory experiences, and a comprehensive yet accessible overview of the entire Civil Rights movement. After a tour of the museum, the group ate a soul food lunch together. All Saints' and Grace continue to meet over a covered dish supper each month, taking turns hosting. The hosting church presents the program or exercise. For more information about these Fellowship Dinners, please see page 4 of this publication.

Welcome Home, Nancy

"Hello Nancy, welcome home," Joanne Vance graciously greeted me Monday morning before enthusiastically hugging me. Joanne was filling in for Katie Adams, who volunteers at the Welcome Center (in addition to working with our nursery). The welcome desk volunteers literally keep the doors open at All Saints', making it possible for people to access the church to pray and keeping those inside, especially our children, safe.

On my Camino pilgrimage, most of the churches I encountered were locked. Some were open but unattended, giving a vacant empty feeling that did not generally call me to stay and pray. How different it was to be welcomed in those places where volunteers waited, eager to share what they knew of the sacred place they tended and to offer a word of blessing to weary pilgrims. Each time I met one of those volunteers, I gave thanks to God for them and their ministry, and thanked God for those at All Saints' who did this work as well.

On Monday, after Joanne and I spoke, I headed to the office. Through the day the copier whirred, strains of music came from the sanctuary balcony, the doorbell chimed and the phone rang. At one, Joanne headed home, and Frank Torrey arrived for his shift. People came and went, and I was reminded of how blessed we are by the team of parishioners who ensure that those who call or visit this church are welcomed as Christ himself.

Thank you to our current Welcome Center volunteers and substitutes:

Katie Adams	Fannie Dillard	Pat Wydra	Pat Black
De Torrey	Suzy Riley	Joanne Vance	Catherine Ackiss
Frank Torrey	Jo Erickson	Bill Harris	Garen Livingston

If you would like to join this ministry, please contact Markeisha Weeks, Parish Administrator, for more information. Training is provided and gratitude is extensive! - Rev. Nancy L. J. Cox

Thanks to the efforts of Richard Hudson, (R, NC-08) and spurred by the exhortations of members of All Saints' Episcopal Church, the mismanagement of the Head Start Program in Cabarrus County has resulted in a new grantee. Hudson says the community is confident that "Save the Children" has the expertise to get the program back on track. For more, visit www.wbtv.com/2019/08/01/cabarrus-county-head-start-getting-reboot-with-new-grantee.

Mark Robinson is pleased to announce that the City of Concord, in partnership with All Saints' Creation Care, has received funding to be the first city in North Carolina to participate in the Arbor Day Foundation's Energy Saving Tree Program. The reasons to plant trees are numerous and include replacing trees damaged by age, storms, and development; sequestering carbon from the atmosphere; filtering storm water; and providing shade. You can decrease your cooling costs by 10-20% if you plant a tree that shades your home and AC unit.

Many thanks are extended to all the talented parishioners who participated in the Parishioners' Concert on Sunday, August 18. Ten parishioners performed in a variety of ways, including saxophone, ukulele, guitar, spoken word, piano duet, and voice. Afterwards, there was a lovely reception that was managed by Nancy and Joe Hunter. During the event, video of the performers was projected on a screen; thanks to Ben Smith for making this possible! - Brian Sapp-Moore, Director of Music and Coordinator of Communications
