Welcome to All Saints'

Thank you for worshipping with us today. If this is your first visit or if you are looking for a church home, a Greeter is available in the Welcome Center before and after worship services to provide information and a welcome gift.

All Saints' Core Values

- Being an active, inclusive community of faith
- Worshipping God in the Episcopal tradition
- Nurturing individuals to grow in Christ
- Seeking and serving Jesus in unexpected places

Our Mission

To be a church of
Disciples Making
Disciples for Jesus

Our Vision

To be a church that
Loves Like God
Loves

Dear Parents of Young Children:

At All Saints', we believe that Jesus issues the same invitation to everyone: "Come to me, just exactly as you are." For our children, this means, "Come with all the energy, the wiggles and giggles, that God gave you." This is God's House, and life and love and laughter are all part of God's dream for the world. Your presence here is a blessing. Your children's presence is a blessing. And all of their wiggles and giggles (including any tears and protests) are welcome in God's House. Here are a few suggestions many parents have found helpful:

- Please sit towards the front — it's easier to see and hear all the action.
- Sing, pray, respond, and explain what's happening in the service. Children learn best about worship and liturgy from you.
- Pick up a green "Busy Bag" with books, coloring pages, and a stuffed Worship Buddy. Please return them after the service.
- We have a staffed nursery in the Education Wing and a livestream in the Parlor. If you need to leave, please come back, especially for Communion.

To All the Members of our Parish:

Children are one of God's most precious blessings. Thank you for warmly welcoming them into God's House and for encouraging their families with your smiles and assistance.

Parish Announcements

Creation Care | Restoring God's Earth: A Year of Personal Action

On behalf of the All Saints' Creation Care team, you are invited to be part of a new ministry to help take better care of the environment: God's Creation. There is a 12-month program, created by The Church of the Nativity in Raleigh, called "Restoring God's Earth: A Year of Personal Action." Starting this month, there will be 2-3 things you can do each week that benefit the environment. Each month has a different theme. This program is backed by science and founded in faith where small things do make a difference, especially when many people follow through with them.

To see a wonderful video on this program, please visit: <https://www.youtube.com/watch?v=nM3h67M8lgw>.

If you would like a pdf copy of the E-book visit:

If you'd like to learn more about Creation Care at All Saints' please contact Mark Robinson at Mrobinson0982@gmail.com.

January | Increase Energy Efficiency Month | Commit to one action each week

Week 1:

- Request a free Energy Savings Analysis from your electric utility.
- Turn down your thermostat—aim for 68 daytime, 60 at night.

Week 2:

- Buy and install a programmable thermostat and low-flow shower head.
- Weatherize your home: insulate hot water heater, increase insulation in attic, etc.

Week 3:

- Switch from incandescent to LED lights; turn lights off when not in use.
- Wash clothes in cold water; run dishwasher with full load and use air dry

Week 4:

- Upgrade to Energy Star appliances.
- Contact your Representatives and Senators expressing your support for developing renewable energy.

Jesus tells us not to hide our light under a bushel basket. LED lights use 90% less energy than incandescent bulbs and could save up to 7.8 gigatons of carbon dioxide in households alone if everyone switched. Smart thermostats can save up to 20% on energy usage. Let your love and light shine for love of the earth and love of neighbor by a refocus on your energy usage this month.

Hospice of Cabarrus County Wish List

When a patient is admitted to the Tucker Hospice House, families arrive with them. Most times they are so concerned about their loved ones that they forget about themselves.

There is a large basket in the Family Kitchen at the Tucker House. Food items are readily available and easy to prepare when families need them – night or day. Please consider donating single serving sizes of pudding, applesauce, fruit or microwavable soup or pasta.

Please place your donation in the small wooden box in the Welcome Center. Thank you for your continued support of Hospice of Cabarrus County patients and their families.
